### **All Our Hotties**

Dear Virgin Territory,

Thank you for the Oct. '11 issue. It was a really good mag and all the girls are hot. I really liked Jennifer. She is hot. I loved the pictures of her on pages 69 and 70. Seeing that cream ooze out of her pussy turned me on a lot. Can we see more girls do that in the mag? It is really hot. I also liked Holly in her schoolgirl outfit. She has a great set of tits and a great ass. I also liked Jessie and her tight pussy and her little bush.

And from the Nov. '11 issue I really liked Alyssa, Ella, Jessica Doltin and Lindsay. Can we please see Lindsay in a hardcore set? But not a creampie, please. From the Dec. '11 I really liked Sasha. She is so fucking hot. I jizzed so hard over that picture on page 61. And I also liked Zoey as a sexy cowgirl and Holly as a sexy, little fairy. I loved Holly's pictures on pages 21 and 25.

From the Holiday '11 issue I liked Lena. Nice to see her doing hardcore. I also liked Elizabeth,

Vicky, Audrinna and Megan. The hardcore was good. The best cum shots for me are Josie first, Samantha second, Lena third and Gigi fourth. Moretta and Sammi

had good hardcore sets, but their cum shots were weak. But still four top class mags. Thank you.-J.M., Falkirk, Scotland, United Kingdom

Dear J.M.,

Here's a creaming photo for you. Hope you enjoy!

### Farm Girl Fantasies

Dear Virgin Territory,

I'm a guy in his forties from the sticks in Alabama. I am not originally from here, but had to move here due to family circumstances. Being a city type, I have been losing my mind out here. There is absolutely no nightlife scene to speak of, unless you consider Bob's Biker Bar a hopping spot (I don't.) And there is a severe lack of attractive, young females.

scouting the farm fields when I drive on these lonely country roads, looking for a sign of a farm girl.

The only thing that has been keeping me sane is your magazine. It's bad enough that I've been celibate for months and have very limited Internet access. Receiving your magazine is truly the highlight of every month. Most recently, Jayda from the May '12 issue has been keeping me company at night. Just about every girl in that issue was cute, but there was something about her plain, girlnext-door looks that really turned me on. Maybe I have been out in the sticks too long! Either way, I enjoyed several good orgasms while looking at her photos. Perhaps she seems like the most likely prospect to be tilling the fields here in 'Bamey, since she did grow up on a farm. Until the next milk maid comes along, I thank you.-R.P., Adamsville, Alabama

Dear R.P.,

If farm girls are your thing you

have had issues with several pairs of

panties disappearing in the past few months. Because of this, we were not able to select a winner for Zoey's contest. We apologize for

the inconvenience and disappointment this may have caused, and promise to keep future pairs of panties under strict lockdown.

may want to revisit Megan's layout from Feb. '12 issue. She's another farm girl decked out in boots and Daisy Dukes!

### Girl-Next-Door Appeal

Dear Virgin Territory,

Thank you for making my dreams cum true with Emily's hardcore layout in the June '12 issue. It was amazing. Ever since I saw her on the cover of the March '12 issue I have been in love with her. She really does look like the girl-next-door, so innocent and sweet and wholesome. But she obviously has a naughty side, and that's what really gets me going. I love nice girls who like to be bad sometimes. I'm so glad that Emily was kind enough to fuck on camera so that guys like me could enjoy it. Her creampie was A+ also. She is so fucking hot!-R.M., Hoboken, New Jersey

Dear R.M.,

We don't know if Emily will ever shoot again, but we're glad we had the opportunity to shoot this real girl-next-door!

**Red Hot** 

Dear Virgin Territory, You consistently find the hottest redheads. Elle from the June '12 issue really had me drooling. I would love to tug on her pointy nipples and make hot,

passionate love to

her. She makes me hard as concrete. I want to explore her body and trace all the folds of her labia with my tongue. Thank you for the very large, up-close photo of Elle's pussy on page 24. Spread shots like that are my favorite. In that photo, I feel like Elle is inviting me to munch on her pussy and rim her pretty, pink starfish. Your magazine is always the best.–V.T., via email

Dear V.T.,

We love redheads! Here's a bonus photo of Elle for you.

### Conned by the Covers

Dear Virgin Territory,

I must admit there is something about your magazine that bothers me. I don't like it when there are girls fea -

> don't have a pictorial in the magazine. For example, I bought the April '12 issue expecting to find a pictorial of Lina inside, but there were only a couple of photos of her in the article. I can't help but feel gypped when that happens. Your magazine is still light years beyond your competition in terms of quality, but I thought I would point out that one issue. If you stopped doing your magazine would be absolutely perfect.-R.S., via email

We apologize and are no longer doing this. The girls on the cover all have pictorials inside the magazine.

### Cum Comp

Dear Virgin Territory,

I came five times to Andi's pictorial in the July '12 issue. As wonderful as it was to see her and masturbate to her, I ended up getting some cum on the pages, and now they are stuck together and wrinkled. Would it be possible to get another copy?-M.M., La Villa, Texas

Dear M.M.

Unfortunately we cannot send a complimentary issue unless the magazine was damaged during delivery.

### Rilee Consoles

Dear Virgin Territory,

If the world really does come to an end on December 21,

2012, I'm thankful that at least I was able to behold such a young, fresh beauty as Rilee. Knowing that such a graceful flower once existed makes the end of our world seem that much more bearable. Of course, I'm exaggerating and I don't really think the world is going to end, but I do think Rilee is breathtaking.

It's a real treat whenever you find a girl with braces. Especially the old school metal kind; Invisalign just isn't the same. I know it's been said in your

magazine before, but Rilee really does have amazing breasts. And she is so fucking adorable I can barely stand it. She has the perfect *18eighteen* look: young (but not too young), fresh and new—an eighteen-year-old on the precipice of womanhood. She is marvelous! Perhaps if the Mayans had gotten a glimpse of her, they would have made that calendar a little different and let the rest of us enjoy her for longer!—F.A., Los Angeles, California

Dear F.A.,

Thank you for such an entertaining letter! Rilee or no Rilee, we hope the world doesn't end this year!

### Mags Trump the 'Net!

Dear Virgin Territory,

In this age of the Internet, there is something about tangible forms of media that give me an incredible sense of nostalgia and happiness. That is why I still buy magazines and vinyl. Call me old school, but holding things and being able to read them without needing a screen feels like home. I could go on the Internet and download lots of free porn, but I prefer to browse 18eighteen magazine. Why? Because you guys give us cuties like Jessi, Rilee and Elle from the June '12 issue. Maybe I could find photos or videos of them online, but I prefer magazines. There is something more personal about it.

Of the three girls I mentioned, I enjoyed Jessi's layout the most (though all of them in this issue were lovely.) Hers was the most intimate. I particularly liked the photo on page 41. It's like I'm right there with her.

The full-page pussy shot was quite nice, too. Jessi has that somewhat rare type of body with small breasts and a tiny waist with a thicker lower body. I happen to like that body type. It must be due to her Brazilian genes. I enjoyed flipping through the magazine and seeing what surprise was waiting for me on each new page. Like I said, I just don't think I can get the same experience from the Internet as I do with a magazine. I look forward to seeing more of Jessi, Rilee, Elle and all the rest in print.—P.S., Nashville, Tennessee

Dear P.S.,

We agree with you about magazines vs. the Internet (and not just because we work in a magazine!) We work hard to give the magazine a personal touch and help readers feel connected to the models. Glad to know you feel that way!

Itch down-shifted, slowed, and rolled through an intersection, glancing over at Nadine as he did. She was playing with the radio, giving him a good look down her shirt. It was late, and they were heading home from the movies. By Mitch's best guess, it had been their first date in almost three years. Not that he was sure it even counted as one. When you were 40something and married with a seven year old, he wasn't sure what you called it.

He called it a date, though, and that was all that mattered. They'd hired a sitter, scribbled emergency numbers on the fridge, and braved the crowd at the multiplex.

Things hadn't gone quite the way they'd planned, but that had been all right. The movie Nadine wanted to see—a drama with a bunch of actors he didn't recognize—sold out. So, they'd decided to roll the dice and go with whatever was showing next. A romantic comedy, with a bunch of great looking actors who Mitch also didn't recognize. But it had been funny, and it had had a lot of sex, and before they'd managed to make a dent in the Raisinettes, Mitch had been rocking a boner that nearly knocked the popcorn off his lap. He'd had the erection for most of the past hour. Staring into Nadine's deep cleavage had it looking for a little attention.

His wife gave up, her tits jiggling as she sat back, frustrated. Her lips

a pout. Mitch's cock reacted like it had eyes of its own. He considered his options. One was to call their sitter, Deanna, claim a flat tire, pull off and haul his wife into the back seat. He and Nadine could fuck the way they used to when they were teenagers, just in a much nicer car. Where was the nearest motel? The average flat probably took an hour to fix. Hell, how much longer would they need? He started to reach for his cell phone.

"If you stare any harder at my tits, my shirt's going to come off all by itself," she said, amused. Sheepishly, he smiled back. Her hand found his throbbing bulge, and she began to stroke it through his pants.

"You know, if it wasn't so late, I'd make you pull over so I could suck you off," she said, squeezing his package. He pressed his crotch into her palm, pinning her hand between his dick and the wheel. He wanted to argue that it wasn't too late, that he could find somewhere for her to go down on him-probably in the next sixty seconds-but he knew she was right. The other movie hadn't started for nearly an hour, and they'd promised Deanna they'd be back around midnight. It was already well past twelve. Mitch would need to drive her home, probably say hi to her parents, then drive all the way back. He grimaced. By the time he and Nadine got down to business, if they got down to business...

She read the look on his face.

"Okay, here," she said, tugging down the front of her top. Her full breasts swelled into view. She was wearing the demi half-cup he liked, and her nipples were riding up over the tops of the cups. They were dark, and rock hard. "Just so you don't think I'm being a cock-tease."

She was teasing his cock all right, but he knew she wasn't shining him on. Nadine still liked to get it on, it was just tougher now that their daughter was getting older. When she was a baby, they could go at it all

night without worrying about her knowing what they were doing. But Vanessa hadn't been a baby for a long, long time.

Mitch slipped his hand into Nadine's bra and freed her heavy left boob. She giggled, sinking down in the seat so they wouldn't be seen. Occasionally, headlights lit up the interior, and Mitch would heft her knob like he was showing it off. It made Nadine squirm and moan like a cat in heat. Loud enough that he didn't hear her pulling down her zipper until she put his hand between her legs and he felt the damp tufts of her trimmed pussy fur.

"Finger me," she bargained. "And I'll take care of you real good when we get home."

"We're almost there. Should we-"

Nadine spread her lips, pushing down on Mitch's middle finger. It squishily made its way to her steamy entrance. She moaned.

He hadn't been the only one who'd gotten mega-horny watching the younger generation get it on. Nadine's cunt was sloppy-wet, her neatly trimmed thicket of muff drenched with juice. Mitch eased up just enough to make the next turn, and accelerated into the straightaway, finger buried in his wife's slit.

"Oh, god I need to cum!" she groaned, reclining the seat, making it easier for him to knuckle-fuck her. Her knees were as far apart as she could spread them, and as they passed under streetlights, he could see her creamy flesh, the ring of pink framing her syrup-oozing twat. Three miles, more or less. Maybe five minutes total to get her off.

He thumbed her clit. She squeaked like a dog toy, thrashing around under his hand, ass bouncing off the greasy leather seat. He doubled up, shoving his middle and index fingers

into her. Nadine let out a cry of pleasure so sexy it coaxed a drop of pre-cum into his shorts.

"Going to cum, babe?" he asked, urging her on with a little dirty talk.

"Maybe cream all over my seats? Am I going to have an invisible pussy-scented air freshener?"

"D-don't stop!" she pleaded, parting her folds so he could drive his fingers into her snatch. Goo was leaking out of her in buckets. He increased the pressure on her clit.

"Oh-oh-oh, honey..." she whimpered, teetering on the brink of climax. Mitch took the next turn a little too fast, not wanting to take his hand out of Nadine's crotch to shift. He took a back road, adding a few blocks to their trip.

"Go-gon-gonna, ungh...cum...cum right...now!"

She bucked, thrusting up to meet his hand. Mitch slammed her back down, pounding into her mound with his fingers. Nadine put her feet up on the dash, arching her back.

Her orgasm was quick, but violent. Mitch's cock was stabbing into his zipper so hard that he half expected to find the pattern imprinted on his dick when he dropped his pants.

"Nadine?" Mitch said, her hands clutching his wrist as she began to calm down. He didn't have to say more. She understood. He'd bought them only a little extra time taking the back way home. He was going to have to either take another turn or slow down any second.

"I'll take care of you-any way you want," she reminded him, taking his sticky fingers into her mouth. She noisily slurped the sweet cum off them before putting his hand back on the shifter. Mitch watched. She took her sweet time pulling her damp panties back up.

"Wish I didn't have to take Deanna home," he complained. "I want to fuck you senseless right now."

"Hmnnn," she murmured, buttoning her pants. "That's two of us."

Mitch checked on her, using it as an excuse to get to the bathroom and wash his hands before taking Deanna home. He was going to drive her in Nadine's car, though. The poor girl didn't deserve to get Continued on page 42

### Hey, Pepper. Does the early bird really get the worm?

"Yup! I've always been an early riser and it's the best. I get so much more done. If I sleep in I feel like I missed half the day. Even if I go to sleep late I automatically wake up early. And you know what my favorite thing to do is when I first wake up? Rub one out! Cumming first thing in the morning puts me in the best mood for the rest of the day. It's like morning sex, only just with myself. Although lately I haven't been able to masturbate in my dorm because of my roommate. So I've been getting up extra early and going to class. It's always empty, so I masturbate in there. It was weird at first but now I like it."

## So you've never rubbed one out while your roomie was around?

"Well, I did once. It was late at night and she was fucking a guy. I pretended like I was asleep, but I was listening to them get it on the whole time. I got horny, so I fingered myself while listening to her moan and stuff. I pretended like my finger was a cock and I creamed all over my hand."

those ass-hugging jeans messed up sitting in Nadine's seat.

Mitch then peeked out, saw the girls standing in the living room, talking. He figured Nadine was paying her, or telling her about the movie. They'd called to let her know they'd be late, and were going to see something else, so Mitch assumed she was giving the teen the lowdown. Which he didn't mind. It gave him time to check out the teenager's ass from a safe distance. Deanna had one hell of a backside. She didn't have much going up top, but she'd sat for them once or twice before, and Mitch had noticed that the petite 18-year-old was indeed developing some curves. She reminded him a little bit of a young Nadine, although Nadine had been stretching out her halter tops long before she'd turned 18. Nadine had once admitted that she sat in a bathtub of steaming hot water wearing new jeans, to get them skin-tight. Deanna looked like she might have perfected the technique. She also had the same full, natural lips Nadine had. Pouty. Bee stung.

Cock-sucking lips, Mitch thought. Boy, was some college guy going to hit the jackpot hooking up with her. Deanna didn't have a boyfriend, which was why so many of their friends used her to babysit. The kid was responsible, and available, and putting away money for a car.

And, cute as fuck.

Nadine caught his eye, and Mitch realized he'd been caught. Deanna was still facing away from him, so hadn't noticed. Mitch shrugged and grinned, giving his lady a wink. She just smiled. Then, Deanna turned around, staring at him.

Mitch started to walk towards them, but stopped, feeling their eyes on him, pinning him in place like a butterfly in science lab. Now, both of them were smiling. But not like Nadine had just shared a funny part of the movie. These were wicked grins. Hungry grins. Predatory grins.

Deanna began pulling off her shirt. Mitch's jaw fell open. He thought for a second that he was hallucinating. That maybe what he was seeing wasn't real. But then Nadine stepped behind Deanna, and the teenager's bra loosened, then fell to the floor, leaving her topless.

The first thing he noticed were her nips. They were large and plum-colored, her areolas a shade lighter. They poked out, standing at attention. Nadine mouthed something to him over Deanna's bare shoulder.

"Any...way...you...want..."

Nadine's top found its way to the couch. She unclasped her own bra, casting it aside. Her firm tits were almost as pert as the B-cups Deanna was sporting, big and natural and making him drool.

Nadine fondled the sitter's small breasts. Deanna let her head fall back, onto Nadine's shoulder. The younger girl began to unbutton her pants.

"Nadine says you've got a big cock... and you wanna use it on a tiny girl like me."

had stood by

watching long enough. He had no idea what Nadine had said to Deanna, but it could have been a voodoo curse for all he cared. Deanna's jeans weren't going to come down without some effort, and the teen was preoccupied by Nadine's groping. Mitch stepped up to the plate to help her out.

He hadn't noticed—so focused had he been on her ass—that the girl was already barefoot. She'd kicked off her sneakers and socks, which he was sure she'd been wearing when they'd first arrived home. How quickly had Nadine gone to work on her? He wondered. And just what had she done to get the eighteen-year-old to want to jump into a threesome?

He'd wait until later to find out. Right now, all he wanted to do was go to town on his wife and this foxy, little vixen. He might be halfway through his forties, but nailing his wife and turning Deanna into their slutty fuck toy was more than enough incentive to blow at least a couple of loads. He tore off her pants and panties, trapping her between himself and Nadine. Barefoot and naked, she seemed absolutely tiny. Her pointy buds pressed into the middle of his chest, her forehead barely level with his mouth. Her small hands found the outline of his manhood.

"Nadine says you've got a big cock...and you wanna use it on a tiny girl like me."

Truer words had never been spoken. Mitch fumbled with his belt, stepped out of his pants, and let Deanna do the work on his boxers. His pole slapped her underdeveloped boobs as it sprung free, leaving behind a smear of pre-cum on one nipple. Nadine, who'd stripped

while Mitch was undressing the babysitter, quickly stepped in for a closer look. Her tongue found the jizz-spot, and licked it clean. Her saliva left the youngster's pert cap glistening.

"Gawd, I love your tits!"
Deanna said, tugging at
Nadine's puffy gumdrops. "I
wish mine were like this!"

"Here," Nadine offered, pressing them together and rubbing them across Deanna's lips. "We can share."

Deanna suckled Nadine's mini cans, moisture trickling out of her damp pubes. Mitch dragged the pair to the sofa. Nadine slithered onto it, her legs hanging over one arm.

"You ever taste a woman's pussy before?" she asked. Deanna's eyes went wide. She shook her head *No*. Mitch gently nudged her forward, and she leaned over the couch, mouth just inches from Nadine's frothy cunt.

"It's sweet," Mitch told her, his hands on Deanna's narrow waist. "I love the taste of it. Especially when she cums in my mouth."

Nadine pulled open her velvet curtains, exposing her swollen clit. Deanna eyed it tentatively. Nervous, she flicked it with her tongue.

Mitch waited until the lesbo-virgin

# What kinds of kinky stuff would you try with your boyfriends?

"I've done anal and had sex in public places. I've had three-ways with friends. I even had sex at school in the cafeteria in front of my friends! I was making out with my boyfriend and they kept egging us on to go further, so we did."

Call them cowboy groupies, buckle bunnies, whatever you like—these girls sure love their rodeo riders. And they'll do whatever it takes to get these broncos in their chutes.

hasta: that's what she calls herself. I can't imagine it was the name her momma gave her, but nonetheless, she is a vision. Tight jeans with rhinestone accents, faded in all the right places, hug her slim curves; python-and-black leather Justin boots encase what I'm going to imagine are dainty feet with a French pedicure to match the lacquered nails on her fingers. Her top, a midriff-exposing white wrap, is knotted beneath perky A-cups presenting themselves as Bs (thank you, Wonderbra). She is airbrush tan and salon blonde and blue-eyed, with long batting lashes and candy-pink lips.

Her \$300 boots have never seen the inside of a stable, much less a bull-riding ring, and yet the massive buckle on her low-rider jeans proclaims her a high-ranking member of Oklahoma's rodeo aristocracy.

"So, where'd you get the buckle, then?"

The hot and horny story that ensued-I met Shasta while in Las Vegas, covering a rodeo-based event for another magazine-inspired this little expose, a tawdry, nasty foray into the universe of women like her: the universe of the Buckle Bunny.

"I like riding horses. Been doing it all my life," the slow-talking 22-year-old tells me. "Hell, I grew up in rural Texas. But I never wanted to BE a

cowboy. I just wanted to do them."

In fact, she lost her virginity to one of the hands on her friend's daddy's ranch. "His name was Buddy," she tells me. "I was-well, let's just say I was old enough to know what I was getting into. He was 25 and lean and lanky and we just liked what we saw when we looked at each other. I was tired of getting felt up by the boys in my school, so one night I let him lay me down in the back of his truck and show me how a man could make me feel. And I learned a few things about what I could do to a man, too. And well-that's pretty much how I got my prized baby, here," she says, fingering a corner of the glinting buckle as she speaks.

"I watched -let's just call him Danny, I don't want to get him in trouble-ride this nasty bull up in Oklahoma and then, later, after all the parties were over, I got just about as nasty riding him at his hotel." Even with all her wild stories-and she's cuit-none compared to what I witnessed last night at a post-competition party in Las Vegas.

The hotel had tricked out one of its ballrooms, transforming it into the ultimate in country-western opulence. There were towering showgirls, sequined from head-totoe in western-themed outfits, performances by some incredible up-and-coming country acts, stocked bars and illuminated beer coolers overflowing with sponsorshipdriven product placement. There was a dance floor, where partygoers line-danced alongside professionals who helped everyone get in the mood. And in one corner, lit dramatically, a mechanical bull that looked like it was straight out of Urban Cowboy.

"To me, they're not only fun," Shasta giggles. "They're like foreplay! The seam of my jeans grinds into my little kitty and makes her purr like you wouldn't believe!" When she rides, Shasta says, she feels sexy. "I think being a little horny changes your face. Men who are in tune with that can tell you've got a little something-something on your mind. Maybe it's a sixth sense. Maybe they can

smell it on you, who knows?"

In any case, I had a ringside seat to her first ride of the night. Vegas being the land of the showman, it took the hired carnie running the bull less than a second to capitalize on Shasta's being in the hot seat. "Ooooo-wee!" he hollered, "Would you get a look at this pretty, little lady, tryin' her luck on the big, bad, robot bull, ladies and gentlemen. Especially gentlemen. You're gonna want a front-row seat for this hot ride here!"

In a few minutes, a crowd had gathered. Most assumed she would be eating the mattresses in just a few seconds like the rest. They'd come to watch her fail. They would be disappointed.

"Nothing gets my ass off a mechanical bull until I'm good and ready to go," she says. "I've got

thighs of steel!"

And so when she rode well past the timer on her first go, she won the crowd over. The barker called to them, asking who was going to step up and unseat the beautiful, new champ. Of course, there was an instant line young bucks eager to impress her, but the bull threw most all of them. And then

Johnny stepped up.

"I had a vibe on him in a minute," Shasta admits. "I knew his name from the circuit," she says. "He's a bit older, been riding a long time and works in the background of the tour. He's solid on the bulls. And he's got just the right amount of lines by his eyes and salt in his peppery hair and beard. He's just a damn sexy cowboy. Especially since he challenged me."

He rode the bull down and then it was Shasta's turn. The man at the controls didn't let up. Shasta's body bucked and swayed and gripped, her eyes staring Johnny down, her hips completely hypnotizing the crowd. Every man in the place had his body in the place of that machine in his mind. She made it through the ride.

"But I wasn't interested in him besting me on the bull," she says, "and that's when I took his hand, lured him away and minutes later we were up in his room. I sprang his hard, thick cock from his faded Levi's and sunk to my knees. Gentleman that he is, he placed my hat neatly on the shade of the bed-side lamp and dug his rough, sexy fingers into my long hair, holding it up while I swallowed the length of his pistol."

But Shasta admits, that was the appetizer. "Lord, after all that riding and sexy staring, my pussy was hungry. And after I had a taste of him, after I knew what he had for me, all I wanted was to see him naked on that bed so I could hop on top and give him the ride of his life."

Pushing him back down, Shasta helped him get out of those jeans and cowboy boots then did her own little strip tease, peeling off her layers piece by piece until she was clad in just her prettiest white boots, a white lacy bra and nothing else. The light streaming through the window from the Strip below highlighted her petite form–flat belly and slim waist and the little blonde landing strip above her creamy, tight slit. "I took his hat for good measure," she says, and then climbed on top of him for a hard, long, wild ride.

"When he slid up inside me I wanted to whoop it up like I was on a bull, but it felt so good I just sucked my breath in and squeezed my little pussy around him and started grinding. Those scratchy cowboy hands on my hips felt like heaven, and he wasn't laying still, either, he moved those hips right along with mine, edging his cock up in there and hitting me in alllll the right spots. I loved the way he looked at me, and I knew I was lookin' pretty cute in his hat. Before long he reached up and popped the clasp on my bra and my little girls were right up there in the breeze of the ceiling fan, nipples all hard where he was pinching and pulling them, and I felt myself getting closer and closer to cumming. Him, too."

Just then, Johnny eased her off his cock and onto all fours. The pair watched themselves in the mirror across from the bed as he re-entered her tight pussy doggiestyle. "Lord, we were some sight. And for fun he took his hat back and put it back on himself. He looked so sexy, I reached down while I watched him fuck me, giving my clit a little extra with my own fingers and just a minute or so later I was moaning and cumming and squeezing him and saying his name."

Johnny was right behind her (literally and figuratively)

yanking free of her cunny's vise-like grip and showering her tight, tanned behind with his man juice. Once through, he did the gentlemanly thing and cleaned her up with a towel from the bathroom.

"Normally, the whole thing's just for sex, but we stayed up in bed all night, talking between bouts of more naked fun," she giggles. "And we're going to

go on an actual dinner date tonight."

Who knows? Maybe she'll be retiring the buckle for a more permanent stretch with Johnny.

"I do like a man who can match me in the barroom and the bedroom," she says. "And he sure does love to watch me ride."

# Downtown Clown

Yes, it's true. The world loves clowns (even if some people find them terrifying). And as much as the bull riders appreciate the attentions of the buckle bunnies, you'd be hard-pressed to get any to admit that these pretty painted ladies are more beloved than the rodeo clowns. Why?

"A buckle bunny might get you off," admits Tex, a circuit veteran at the age of 33, "but a clown may end up saving your life!" But Tex told me one wild story about a clown who was kind enough to do both. It happened when he was a young rider. "Just 18 and out of the chute in my career."

Tex was riding at a small outdoor arena in Colorado when, as often happens, he got thrown. "The bull did this wild kick and I just went flying." He was uninjured, but

"I do like a man who can match me in the barroom and the bedroom," she says." Fund he sure does love to watch me ride."

the landing knocked the wind out of him. "It was fierce," he remembers, "like the air had been sucked out of me. It took me a few seconds to catch my breath. But you know the bull isn't interested in waiting for you to get up. It was those thundering hooves that got my attention first. He was coming to stomp me!"

Enter the brave rodeo clown, all decked out in colorful rags and suspenders and full goofy make-up. "He was a tiny, little thing—I imagined he couldn't be more than 14 or 15 or something—and as I ran for the fence I was thinking, Damn! That kid's got balls!"

He couldn't have been more off base.

"About 20 minutes later I was back in the locker room and done for the night. I'd already showered and was in a towel, ready to change and head to the stands and watch some of my friends rope and ride. That's when the clown came in."

Tex was eager to thank the volunteer who'd lured that angry bull away. "I reached out to shake his hand but he just stopped there, smiling and staring at me. It would have been weird anyway, but add the clown costume to the mix and it was off-the-chart freaky."

The clown smiled and said, "Thank you, Big Tex."

"It was a woman's voice!"

She took off the silly straw hat and shook loose a mane of gorgeous coppery hair, tearing open the dusty flannel button-up shirt to reveal a pink cotton bra. Tex stood there, dumbstruck, as she stepped out of the jeans. Matching panties. She glided past him–face in full makeup–to the shower doors. "Don't you want to see the full reveal?" she asked him, grabbing the shower gel from his hands as she passed.

"I turned and followed, but I waited at the door, watching her for a few minutes as she stripped off the

under things, looking at her curvy, sexy body—with that horrible clown face," he laughs, "before the steamy water had the colors running in rivers 'round her pretty feet. She was an angel-faced girl. Couldn't have been more than maybe 20, if that, with that long, wet, red hair covering her bouncy titties."

"Whatcha waiting for? Come on in here and kiss the clown," she giggled.

"She sure didn't have to ask me twice."

Tex spent 10 or 15 glorious minutes soaping up

every smooth inch of her, getting every crack and crevice. He marveled at her beautiful face and that lean, athletic body that had saved him from the ER. He crouched low, parting the fuzz-dusted lips of her squeaky clean pussy and tongued her, reveling in the feeling of her fingers in his hair as he thanked her–intimately–for saving his ass. Her creamy-sweet "you're welcome" soon followed as she came, collapsing onto the shower bench and spreading herself wide for his hungry mouth, then urging him to stand so she could welcome his rock-hard prick into hers.

"To date, it's still the best blow job I've ever gotten," he says dreamily, remembering how sloppy and noisy and joyfully she swallowed him, how her soapy hands kneaded and squeezed and milked his balls while she tongued and sucked him. "A few of her slippery, little fingers made their way up into my crack, too," he confesses, "and let me tell you, when one tiny tip of her pinky slipped about a millimeter inside the back door, I was coating the back of her throat with my cream before I even realized it was coming out."

Sadly, Tex never even got her name. "She and I finished up and washed one another down. She stepped outside first to dry off and when I came out, she was gone. I'll never forget her, though. And I've never looked at those clowns the same way again."

# Canadian Bacon 💯

Anita and Jenn are the real deal. "Girls gone wild with cowboy hats!" Jenn boasts loudly, flashing me an eyeful of her perky, braless B-cups before sitting down next to Anita on the couch and pulling down her tight black tank. I see an irritated glare from one of the security guards who gives her a warning before moving on. "They love me!" she says. "They have to do it because it's their job, but when the boss isn't watching guess who's hoping I'm going to put out?"

"You mean you don't put out?" Anita jokes, ribbing her boisterous friend.

But I know the question is ridiculous. Because these girls only fuck rodeo boys. They've told me that at least a thousand times since I met them the night before. And they're looking at my story as something of an advertise-

ment. "We're hoping to give one lucky rider a threesome on every night of the competition." Two nights in, they're on a roll.

"Last night, in fact, we bagged our first Canadian guy," says Anita. "No names. We're a kiss-anddon't-tell operation. But I will say this: he was hung like one of those bulls!"

The rider in question didn't have the most spectacular night in the ring, but when the girls got him back to their room, his evening turned around. "Anita and I like to pamper our boys,"

like to pamper our boys," says Jenn. "We spent at least a half hour just kissing him all over. We love making out with a guy at the same time. The three tongues together is about the sexiest thing in the world. We start with the lips, and then work all over the rest of him until his dick..."

"Nicely man-scaped, by the way!" chimes Anita. "Remember, you get extra points for keeping your junk groomed, cowboys!"

"...UNTIL HIS DICK was so hard and horny it was creaming all by itself."

"That's when I love to put it in my mouth the most," continues Anita. "Cowboy cum is the creamiest, sweetest cum in the world. I'm not sure why."

"And there's nothing more fun than sucking cock with your best friend," Jenn says, "we hovered over his Johnson for as long as he could take it, and let me tell you, most men–not even cowboys–can't hold back with two girls sucking them off. It's almost impossible. If this guy ever quits riding, he might have a future in porn."

# Jenna! How did you end up sucking cock in a classroom? That's crazy!

"I was doing class work and this guy kept trying to copy my paper. At first I wasn't sure if he was looking at my answers or at my boobs. I told him to lay off, but then he just straight up kissed me! It turned me on, and the teacher wasn't around so I went for it."

## WANNA RIDE?

Continued from page 54

promised not to show his face."

Incredibly, it's true. Jenn hands me the digital camera and I watch, sound very low as we're in a hotel lobby, as Jenn is getting fucked expertly by the man who's holding the camera surprisingly steady. His cock is massive, sliding in and out of her tight, bareshaven cunny. The footage is raw and wet, hot amateur, and I decide these women may be onto something.

"Maybe one day, we can compile it all into a web catalog of rodeo sex,"

Jenn suggests. I am paying less attention, now sampling some video of her pretty mouth-next to the anonymous cowboy's-as tongues and fucks her best friend's adorable heartshaped muff. He pauses to comment on the artful before shaving burying his mouth again in her cowboy-craving crumpet. She cums hard and the camera work gets a little shaky, but still, it's damn impressive.

He moans and there it is, arcing and spattering their pretty young faces—lips, tongues, eyelids—as they lick and lap and laugh amid the spunk—shower.

The two excuse themselves for a moment. Coffee–and a texting cowboy–are calling. I peruse the video further. Anita's now holding the camera, cropping the shot just so his face is out of view. I watch as he bends Jenn over, hearing him suck a finger and insert it–gently but firmly–into her ass as he slides his monster member inside her tiny body, moving it in and out as she moans and leans into him, her pussy taking in every inch, her mouth letting the world know

what it feels like to have yourself stuffed full of Canuck cowboy and love it more than anything. She cums again, and her pretty, young face looks exhausted and flushed, but the cowboy's not yet spent.

Anita trades up, handing off the camera and lying prostrate on the bed, legs spread wide, as the mystery man dips his wick in a second buckle bunny, holding her hips fast as he hammers her box into orgasmic oblivion. He leans over her but we don't see his face–he's still wearing his black hat–and Jenn pulls the camera into a tighter shot. His cock must be 10 inches or more and three fingers

wide, it stretches her hole miraculously, pounding her wet pussy while she howls her approval in the background.

And now we see Anita's face, eyes closed, a tad sweaty, unblemished and beautiful, her lips puffy and swollen from desire and activi-

ty. She's cumming.

She's cumming hard. She's telling the camera, the room (I'd be surprised if the entire floor of the hotel didn't know) and the whole world how good she's getting it.

But their chosen man of the

moment isn't done.

"Give me the camera," he mutters, breathless from the activity. "Baby, can you suck my dick? Both of you?" And then there they are, Jenn and Anita, spent and exhausted and well-fucked but still hungry, tonguing and slobbering all over this man's huge donkey of a dong, Jenn going low and filling her mouth with his balls, Anita giving a wink to the camera as she swallows his knob. "Oooh yeah, baby. That is good. That is so good. Suck it." Jenn's right. This guy really could be a porn star.

But the girls are none too shabby, coming together to worship at the head of his portly prick; they kiss for the camera, tongues mingling as each wraps a tiny, delicate hand around the massive shaft. They take turns-licking, sucking, kissing—as he moans and gives direction and approval, pulling the camera in tight to watch their mouths dance over him, trading places at the base and the head, detailing the wetness of their mouths, the pinkness of their tongues and lips, the whiteness of their pretty teeth.

"Oh my god," he says, low and breathy. It appears our cowboy may finally be getting close. The camera gets slightly less steady as his hand appears in the frame, working his cock slowly, rhythmically, expertly, as the girls continue to lick and suck the swollen, purple head. "It's coming," he warns, urging their heads closer together as he pumps it harder, squeezes it a little tighter. Jenn's hands come up to cup his nads. Anita's follow. His cock has five hands and two mouths at its disposal.

He moans and there it is, arcing and spattering their pretty, young faces—lips, tongues, chins, eyelids—as they lick it and lap it and laugh amid the spunk-shower.

My watching is interrupted as the girls return and sit back down, giggling to each other. "It looks like we may have met our man for tonight!" Jenn tells me with excitement.

"I think he's South American," says Anita. "Sexy. Anyway, what else do you want to ask us?"

I hand back the camera and bid them goodbye. The movie was more than I needed. "It'll be a great story, fear not," I tell them. "You guys are my rodeo stars."

Continued from page 42

was buried cheeks-deep in Nadine's lovehole before zeroing in on Deanna's tight canal. As she went down on his wife, he thrust the head of his prick past the tight ring of muscle guarding her slot.

'Aaah!" she moaned, and Mitch hoped it wouldn't be enough to wake their daughter. This was a dream come true for him, but he sure wouldn't want to try and explain this to Vanessa. Luckily, her door remained closed, and Deanna's snatch open.

He worked his way into her slowly, the girl's snug fuck-tunnel was welllubed but unprepared for his girth. Mitch did have a big cock, and it took him several minutes of sure slowstroking before he finally bottomed out, balls-deep in her sopping teenage trench. Nadine's hands were tangled in the teenager's hair, and Mitch could hear her lapping away at Nadine's twat the way he often did-doling out a feverish tongue bath, desperate to bring her to climax. Deanna, he knew, was in for a surprise when Nadine really got going.

"That's right, gorgeous," Nadine prodded. "Get me off with your tongue. Do it, just like that. Make me cum with your dirty, little mouth."

Mitch drove into the teen, drilling her full of cockmeat. Deanna purred, loving the feeling of having her snatch crammed with dick. Nadine threw her head back and howled.

"Suck it! Suck my clit! Take it in your mouth and tongue-fuck me!"

Pussy nectar was bubbling out of Nadine's molten mound, and Mitch knew it was just about time. He eased off a little, and Deanna looked back, silently pleading for him to churn her insides like milk into cream. He wasn't quite ready to blow his load yet, though, and kept doing her from behind with the same slow, steady rhythm.

"Ooooohhh, lick it, lick it, lick my little

pussy! Like

that! I-just like that-"

Nadine let go of Deanna's hair, and Mitch took hold of it, pulling the girl away from Nadine's quivering slit. She came, unleashing a squirt of dew squarely between Deanna's boobs.

The babysitter was surprised, but fascinated, as Nadine continued to frig herself, consumed by a ferocious, convusling orgasm. A second gooey discharge gushed out of her, then a third, the last of which splashed against Deanna's taut belly.

The teenager's snatch contracted, tight as a fist around Mitch's rigid fuck hammer. He rode it out, the girl squealing into a pillow as another orgasm ripped through her. Mitch kept going, Deanna's cunt making squitch-squitch sounds as she creamed all over his cock and balls.

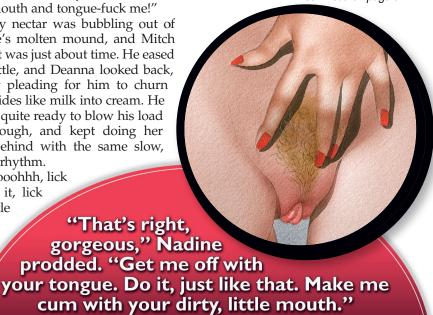

"Oh, oh god, you have to stop!" she protested, fingers digging into the arm of the couch. "You...you have to...I, I can't..."

But she did. Once more, at least, though it might have been twice. Mitch couldn't really tell-the girl was so damned tight to begin with!

He eased her to the carpet, moving to mount her missionary style. But she'd been thoroughly fucked out. Instead of spreading her legs, she got down on all fours and wrapped her lips around his cockhead.

Mitch had wanted to get Deanna's ankles up around her ears, but wasn't opposed to having her suck the jizz out of him. He'd been trying to decide what to do when he came anyway. It didn't seem terribly smart to blow his

# Do you two ever have three-ways?

"Yes. Those are fun. One time we had a three-way with another girl. It was super hot. My girlfriend and I were going to town on her pussy at the same time and the girl was loving every second of it. Then another time we had a three-way with a guy. And he looked like he was totally in heaven with the two of us."

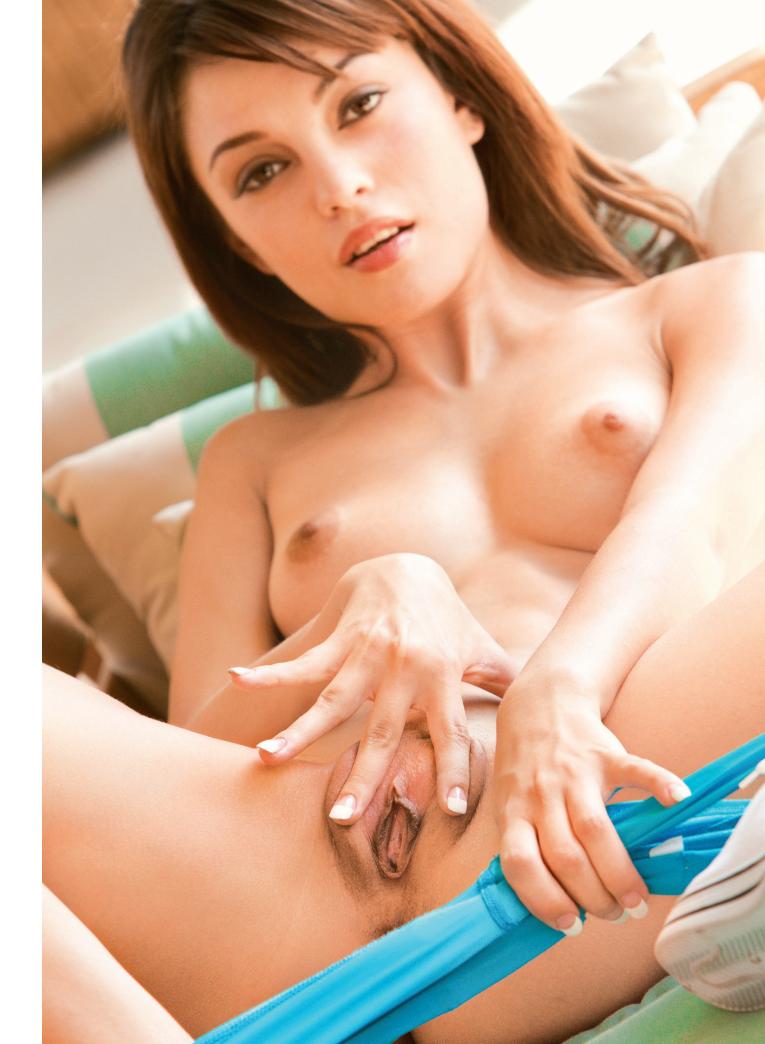

# Tell us more details about the three-way with the guy.

"We started off in a three-way kiss-me, my girlfriend and the guy. We undressed each other and then we undressed him. His cock was already sticking straight up so my girl and I got down on our knees and took turns sucking it. She would blow him while I licked his balls. Then he lay down and I rode his face while my girlfriend rode his cock. Then we switched places. It was a great experience."

# Where did this guy end up cumming?

"He came all over both of our faces. We knelt down right in front of him and kissed each other while I jacked his cock. It took just a couple of seconds of stroking him before he completely soaked us with his cum. That was the biggest load I've ever seen! Then my girl and I licked it off each other's face."

# Since you like to get your butt licked, do you like anal too?

"I've only tried it once with a guy but I think he got weirded out by it, so it wasn't the hottest experience. He was one of those types who was afraid to eat my ass, so he probably wasn't the ideal anal candidate. But I stick toys in my butt all the time, and I love it! I have anal beads and a butt plug and I use them all the time. Now I just need the right cock!"

# Are you thinking about doing sextra credit for your hot professor?

"Oh, believe me, I've already thought of it and I've only been to one class. Normally I would, but I'm really trying to be good! I want to pass the class because I studied and worked hard, not just because I fucked the professor. If anything, I'll wait till the class is over then come back to visit him. But just because I'm going to focus on my studies doesn't mean I can't have fun, too. I'll be getting wet while I flash him my panties during lecture."

# Have you ever fucked one of your professors before?

"Yes. Last semester. He would pick me up and we would fuck in his car before class started. Then we would fuck in the car again after class ended. Then he'd take me to his apartment and fuck me there, too!"

load in her box. After all, they called that thing swinging between his legs a baby-maker for a reason.

Deanna knew how to give head, that was for damn sure. Whether she spent time practicing on cucumbers or somehow squeezed in time to suck a few dicks between babysitting gigs Mitch didn't know, but she was a grade-A golf-ball-through-a-gardenhose kind of cocksucker. Mitch had his eyes closed, waiting for Deanna's oral action to push him over the edge, when something changed. Deanna's breath caught, and she took him down nearly to the root–something he didn't expect she could handle. When he opened his eyes, he saw why.

Nadine had wriggled beneath her and was eating her out, fingering the teen as she did so. Deanna had been caught off guard, and was now trying to catch her breath through a mouth that was completely stuffed with the biggest cock she'd ever had.

Deanna clearly didn't think she could handle a full deep-throat, either, and began working the base of his shaft with her hand. It was so small she couldn't quite get her fingers around it, but there was plenty of friction going on, and Mitch was already pretty close to cumming.

He put his hands on the back of her head, pumping his dick into her mouth, making her taste herself as she worked seven inches of cock past her tonsils. Mitch was close now-really close. He hadn't cum in days. Maybe a week. Things had been so hectic at work, and Nadine had wanted to put it off until their big date night so it would be that much more special.

Well, it was turning out to be pretty fucking special, all right, but Mitch wasn't sure if he should gag Deanna on the loads of love lava he was getting ready to shoot. Nadine had sucked his cock countless times-she knew what to expect. But Deanna? He wasn't sure she'd ever given a blow job before, much less let a guy finish in her mouth. Was she ready for a mouthful of jizz? Maybe even a couple of mouthfuls?

"I think you better get ready, Deanna," he warned. "This is going to be something..."

He felt Nadine's hand on his balls just as he let loose, a geyser of steaming cum erupting from his nuts and swelling Deanna's cheek. Gag she did, as a torrent of nut butter flowed over her tongue and surged down her throat. She opened her mouth, gulped down a breath and some ball sauce, and Mitch fired the next warm rope across her face.

Nadine continued to knead his still loaded sac, pulling Deanna's face down to hers, her tongue in the startled teenager's mouth, sucking Mitch's jizz off her tongue. Mitch angled his dick and fired another wad of semen. This one hit Deanna in the chin and dripped off her face, landing on Nadine's cheek. She hungrily ran her tongue down Deanna's face, licking away the sperm, while Mitch kept ejaculating, spattering Deanna's face in a river of jizz.

Her eyes were open. She was kissing Nadine but looking up at him, jism running down her face. It looked like three guys had given her a facial, not just one. Mitch had seen plenty of girls take a load before. Nadine liked to jack him off on her face sometimes, and then rub it into her skin. This, though, was the hottest cum bath he'd ever been a part of. Deanna smiled up at him, then broke eye contact. She and Nadine greedily set about sucking the cum from each other's faces.

itch went to take a piss, and grab the girls some towels. More than ever, he

> was ruing having to drive Deanna home. Nadine had said she'd get him off any way he wanted, and he was thinking about two dozen other possibilities as he returned from the bathroom.

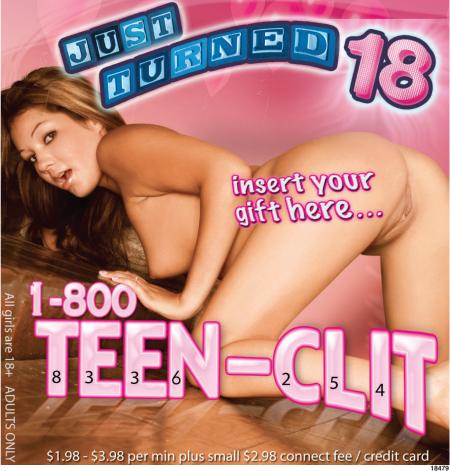

"Never?" Nadine asked, running her foot up the inside of Deanna's still-bare thigh. The girl shook her head.

"But...I've thought about it," she countered, eyes straying to Mitch. He had no idea what the pair were talking about, but now it was really, really late, and he figured they'd better get

going. He said as much. Nadine and Deanna exchanged a look, then began to giggle like schoolgirls. Mitch liked the way Deanna's large boobs bounced when she did.

"I called Tom and Joyce. I told them the movie let out really late, and we decided to stop for something to eat."

"Which you kinda did," Deanna cut in, playing footsie with Nadine.
"And?"

"And," his wife continued, her nipples showing signs of arousal again. "They said it would be fine."

"Uh-huh," Deanna confirmed, parting her legs and flashing Nadine a view of her tender pinkness.

"Said what would be fine?" Mitch asked, confused.

"If I spent the night here, instead of you having to drive me home. Seeing how tired you are and all," Deanna explained, Nadine's big toe finding her clitoris.

"Spent the night?" Mitch repeated, thinking that had to be too good to be true.

"All, night," Nadine repeated, drawing out the words. Mitch felt his dick getting hard.

"And no," Nadine said, meeting his eyes. "She never has."

"Never has...what?" he replied, confused. Then it struck him. The conversation he'd interrupted when he'd returned from the bathroom.

"I've never...never done anything, you know..."

But Mitch didn't. And it was obvious Nadine wasn't going to tell him. He turned to Deanna, who was staring at his cock.

"Anything anal," she explained.

But I've thought about it. Hadn't that been what she'd said. He was sure it was.

And she was spending the night.

"Maybe we ought to go into the bedroom," Mitch suggested. Both of the girls glanced toward the hall. Then, they shot to their feet and started jostling for position.

"Last one in has to wait for cock!" Nadine challenged. The two of them disappeared down the hallway.

Mitch chased after them. Whatever it cost, he decided, he and Nadine were going out on a date every weekend.

And they were going to lock up Deanna's services indefinitely.
